SET DVD SYNOPSIS:

Barney: Now I Know My ABCs

"B" is for Barney, Baby Bop and BJ! No matter how you spell it, Barney's friends have F-U-N learning the ABC's, colors and more! Baby Bop discovers the excitement of writing her name, and the children get everything in shape for the most colorful art show ever! Whether drawing a cat made of triangles or a train made of squares, using their imagination helps kids learn about shapes and colors. How do you spell "learning?" B-A-R-N-E-Y!

Barney Songs

Sing along with Barney, Baby Bop, BJ and their friends to 24 of their all-time favorite songs including: "Growing," "Brushing My Teeth," "If All the Raindrops," "The Airplane Song" and "Hey, Look At Me! I Can Fly!"

Barney Let's Go to the Zoo

Barney makes all sorts of new animal friends when he takes BJ and Baby Bop on a trip to the zoo! BJ makes the trip a photo safari, taking pictures of all the animals, while Baby Bop looks for a real elephant to show to her doll "Nelly the Elephant." And there's an unexpected guest - Scooter McNutty - who searches the zoo for an exhibit devoted to the noblest of animals: the squirrel! There's an abundance of animal fun and facts, songs and surprises when Barney takes YOU to the zoo.

Barney's Dino Tunes CD

A collection of Barney's and kids' favorite songs of all time including "ABC Song," "I've Been Working on the Railroad," "If You're Happy and You Know It," "Mary Had a Little Lamb" and Barney's personal favorite - "I Love You" song. A must have for true Barney fans who enjoy singing and dancing along with their favorite Dino friend.
