

“Can we build it™? Yes we can!”

That’s the rallying call that **Bob the Builder™** uses to fire up his team’s can-do attitude and kick-off a job in each episode of the first ever serialized program for preschoolers. From paving roads to building a whole new town from the ground up, **Bob**, **Wendy** and the Can-Do Crew – **Scoop** the digger, **Muck** the dump truck, **Lofty** the crane, **Roley** the steamroller, **Dizzy** the cement mixer, **Benny** the small digger, **Scrambler** the off-road vehicle, **Sumsy** the young fork-lift and **Packer** the delivery truck – are ready to tackle any project.

No matter what the obstacle, the team always gets the job done and takes pride in their work and the great results they accomplish together. Every episode finishes with a job well done and a lesson learned about the value of a positive attitude, problem solving and teamwork. Bob the Builder always demonstrates that *The Fun Is In Getting It Done!*
