HIT ENTERTAINMENT FORGES STRATEGIC ALLIANCE WITH CHAPMAN ENTERTAINMENT FOR REPRESENTATION RIGHTS FOR NEW PRESCHOOL PROPERTIES IN NORTH AMERICA AND JAPAN

HIT to Represent International Sensation *Fifi and the Flowertots* and Newcomer *Roary The Racing Car*

NEW YORK – June 18, 2007 – HIT Entertainment, a leading provider of quality preschool entertainment, announced today that it has forged a strategic alliance with Chapman Entertainment and acquired the representation rights for two new properties from the UK-based children's and family entertainment company in North America and select international markets. Through the partnership with Chapman Entertainment, HIT Entertainment will welcome the international sensation, *Fifi and the Flowertots™* and the highly-anticipated *Roary The Racing Car™* into its portfolio of award-winning preschool brands that already includes *Thomas & Friends™*, *Barney™*, *Angelina Ballerina™*, as well as *Bob the Builder™*, which was originally created by Keith Chapman. HIT will serve as the rights manager across broadcast, licensing and merchandising, publishing, home entertainment and strategic partnerships in North America and Japan for both properties.

"Keith Chapman's vision in creating global preschool brands is unparalleled and we see a tremendous opportunity for Chapman Entertainment's newest properties – *Fifi and the Flowertots* and *Roary The Racing Car* -- to flourish in new markets," said Bruce Steinberg, CEO, HIT Entertainment. "With their stunning animation styles, rich characters and engaging stories, Fifi and Roary are the perfect additions to HIT's portfolio of top-quality preschool brands, and this partnership serves to reinforce HIT's position as one of the premier preschool entertainment companies in the world."

Keith Chapman, Creative Director of Chapman Entertainment says: "I have a long history of working with HIT Entertainment, starting with *Bob the Builder* 10 years ago. I am delighted that Chapman Entertainment has forged a new and exciting relationship with HIT and am confident that their skill and expertise will help turn Fifi and Roary into huge successes in the US, Canada and Japan."

Launched in 2005 in the UK, *Fifi and the Flowertots* has quickly become a top-rated preschool television series on Five's Milkshake! and Nick Jr and is now the UK's No 1 Preschool girls brand and No 2 overall (Source: NPD Preschool Puzzles and Plush). In addition to the UK, *Fifi and the Flowertots* can be seen on television in more than 150 territories in 22 languages. The charming, visually-dynamic stop-frame animation series centers around *Fifi Forget-Me-Not* and her diverse and lovable friends in Flowertot Garden. As Fifi Forget-Me-Not can often be forgetful, she interacts directly with viewers, engaging the audience-at-home for assistance in helping her remember or solve simple dilemmas. Each episode incorporates core messages of cooperation and friendship, and fosters an appreciation of healthy living and environmental sciences.

Chapman Entertainment's newest property, *Roary The Racing Car* follows the adventures of a young, ambitious single-seat, red racing car who races through life making mistakes and forging relationships with others at the Silver Hatch racetrack. *Roary The Racing Car* is full of action and reinforces important themes including social skills, the treatment of others, communication and creativity, road safety and the importance of working with a team and following rules. With an inspired cast of automotive and human friends, this adrenaline fuelled series was originated by David Jenkins and like *Fifi* is in production at the world-renowned Cosgrove Hall Films in stop-frame animation and CGI. *Roary* debuted in May on Five's Milkshake! and Nick Jr in the UK.
