All are back for another collection of light-hearted, summer-y adventures in *Summertime Fun!*, debuting on DVD May 13, 2008 from Twentieth Century Fox Home Entertainment and HIT Entertainment for a suggested retail price of \$14.98.

Grab your sunscreen, lemonade and camping gear, and kick back for five summer adventures on *Summertime Fun!*

- **NEW TO DVD: Barney** – In “**The Wind and the Sun**,” it’s a beautiful, warm summer day. Baby Bop has built a lemonade stand to quench the thirsts of the playground children and BJ has made a kite to fly high in the air. Both need an ideal location for their activities. Problem is, there is only one truly perfect spot! It’s not long before both learn to ask nicely to share the space equally and enjoy the day together.
- **Bob the Builder** – In “**Dizzy Goes Camping**,” Wendy is on vacation, leaving Bob and the crew to build Farmer Pickles’ new campsite on their own. Wanting a vacation of her own, Dizzy asks Bob if she and Muck can camp out overnight. Singing songs by the pretend campfire and sleeping under a makeshift tent, the pair spends a wonderful evening under the stars.
- **NEW TO DVD: Thomas & Friends** – In “**Thomas and the Rainbow**,” a summer storm has knocked down telephone lines throughout the Island of Sodor. Tasked with carrying the repairmen to the sites, Thomas gets distracted by a beautiful rainbow in the sky and sets out on his own, determined to find the fabled magic treasure at the end of it. When his one-track-mindedness lands him in trouble he learns the valuable lesson that the true magic lies with his friends.
- **Angelina Ballerina** – In “**Angelina in the Wings**,” famed Madame Zee Zee is coming to watch Angelina’s ballet class in the hopes of finding a replacement Sunbeam dancer to fill in for a sick performer. Angelina has to bring her cousin Henry to the audition. When Henry captures the adoration of the Madame and is given the role, Angelina is forced to become his understudy. Despite her jealousy, she soon realizes how much the show means to Henry and sets out to help him succeed.
- **Fireman Sam** – In “**Twitchers in Trouble**,” extremely dry grass covering the countryside has elevated the fire danger. When a dropped glass bottle ignites a brush fire, it’s up to Sam, Tom and the rest of the team to rescue the various townsfolk out enjoying the day.

This DVD includes a bonus episode of Fifi and the Flowertots: Picture Perfect.
