

## **WISHBONE'S PAW PRINTS**

Wishbone is an adventurous, imaginative, smart, articulate, loyal, clever and devastatingly handsome dog. Some people refer to him as “a little dog with a big imagination.” With an imagination as creative as Wishbone's, he can do just about anything. Sail a raft. Shoot an arrow. Dance at a ball. He can even fly through the air if that's where the story takes him. In the classics, he actually becomes a famous character, interacting and communicating with humans as their equal. But he's 100% canine and proud of it. Like any dog he appreciates a well-placed scratch and a tasty treat.

A good book is a dog's best friend.

To err is human, to forgive is canine.

You are what you read.
